

Lead: I've been lied on , cheated, abused, mistreated, cast aside, defeated... Oh but God.
Been looked over, forgotten, discouraged and downtrodden, I've been hurt and shamed...
Oh but God.

I've been counted out, time and again but that's not how my story ends.

Ooh,Ooh... But God.

Ooh, Ooh... But God.

Choir: I've been lied on , cheated, abused, mistreated, cast aside, defeated... Oh but God.

I've been counted out, time and again but that's not how my story ends.

Ooh,Ooh... But God.

Ooh, Ooh... But God.

Choir: For God sees and He knows you've been suffering for a while. God hears and He
cares He just wants to perfect you.
