

I Made It!  
By Tanisha Butts

**Tenors** - So glad I made it over

So glad I'm still here

**Altos** - So glad I made it through the storm

So glad he's still near

**Sopranos** - So glad He never left me

So glad that I can say

**All** - Oh I'm so grateful

Yes I'm thankful

Lord I'm so grateful

I made it through

He brought me

Through hard trials

Tribulations,

Disappointments,

And temptations

Through hard trials

Tribulations,

Disappointments,

And temptations

He brought me out (repeat)

I made it, Thank you Lord (repeat)

I made it (repeat)

I made it, Thank you Lord (repeat)

I made it!
