

## More Than Enough

OOOh hoo oooh hoo (2x's)

~Verse 1 .....

Can't tell it all (4x's)

So if you never do another thing, more than enough

If you never do another thing, more than enough

~Verse 2 .....

Can't tell it all (4x's)

So if you never do another thing, more than enough

If you never do another thing, more than enough

~BREAK~

If you've got breath, life, strength, health in you body

If you got joy, peace, hope... I dare you to tell somebody

Can't tell it all (4x's)

So if you never do another thing, more than enough

If you never do another thing, more than enough

So if you never do another thing, more than enough

If you never do another thing, more than enough

More than enough (4x's)

Oooh hoo, oooh hoo (2x's)
